**Date of birth:** April 7th, 2020

**Colour:** Black

**Sire:** Dream Ahead

**Dam:** Model Black

We are delighted to offer shares in our first ever sprinter ! Surrey Noir is a Dream Ahead yearling colt which we bought with the help of Anthony Stroud (Godolphin's main buyer) at this year's Arqana October yearling sale. He will go into training with Charlie Fellowes in Newmarket.

The sire, Dream Ahead, was a brilliant sprinter from a fast family. As a two-year-old he was officially rated the equal of Frankel after winning the Prix Morny and the Middle Park Stakes. As a three-year-old he was successfully campaigned at sprint distances, winning the July Cup at Newmarket and defeating Goldikova in the Prix de la Forêt. He was named Europe's Champion Sprinter at the 2011 Cartier Racing Awards. In 2019 and 2020 he produced more Group 1 winning sprinters than any other European sire.

The Dam, Model Black, won twice and was placed 17 times. She has had 6 foals, one of which, The Black Album, has already won a Group 3 in Paris.

Surrey Noir looks very sharp and will probably have a very active 2 year old campaign and should excel at 6-7 furlongs – The Coventry at Royal Ascot must be the early target. He also qualifies for French Owner Premiums.

"We are delighted to be the first yard to train a horse for Surrey Racing at Racing's HQ in Newmarket. A really friendly, professional syndicate that have found a winning formula. I have no hesitation in recommending Surrey Racing if you are looking to get involved in racing."
